Dear John,

On behalf of the Boys & Girls Club of Pekin, I would like to thank you, your relatives, and other volunteers who put on the Brad Campbell Memorial Golf Outing every year. I realize the time, effort and dedication needed to put on a first-class golf outing, and you do an excellent job.

Over the past ten years your generous contributions have helped make positive impact on the youth of our community. We currently have over 1,600 members, and through your support we are able to offer quality programs that help build self-esteem and skills during critical periods of growth.

Thank you for helping make a difference in the lives of many of our community's youth.

Sincerely,

John Denning
