Dear Mr. Campbell,

John & Chris

Thank you for your kind and generous support of Children's Hospital of Illinois at OSF Saint Francis Medical Center. Your gift of \$3,000.00 is greatly appreciated.

You should take great pride in knowing that your gift will touch the lives of thousands of children and their families this year. Your continued support toward our efforts of making our community a better place for our children to live healthy, happy lives is allowing us to take our facility to the next level of pediatric healthcare.

Your investment in the Children's Hospital will enable our facility to provide quality pediatric healthcare through outstanding primary care and pediatric physician specialists, the latest state-of-the-art technology, programmatic focus on treating medical needs of children and supportive needs of their families, and a nationally recognized academic and research program.

In compliance with Federal tax law, we also acknowledge that you received no goods or services in return for your gift. The Omnibus Reconciliation Act of 1993 requires that this receipt be retained as substantiation of any charitable gift deduction.

A million thanks on behalf of all area children who will benefit from your kindness.

Sincerely,

Sister M. Canisia O.S.F.
