Dear John,

Thank you so much for your recent gift of \$3000.00 to the Children's Home.

Each month, our professional staff provide counseling, education and support to more than 1,000 children to help them overcome obstacles in their path to a stable, successful future. Children's Home staff understand the complex problems of children and know the best solutions. We also recognize the continuous need to enhance the care and treatment we can give these children. Because of the tremendous generosity and support of special friends, like you, we are able to respond to that need!

Thank you for allowing us to continue our work and for helping us give the children and families in our community the chance for a brighter future!

Sincerely,

Arlene Happach
