John Campbell
3302 Sheridan Road
Pekin, Illinois 61554

Dear John,

Let me say first how much I enjoyed the Brad Campbell Memorial Tourney Saturday. I was fortunate to play with a great foursome and we all had fun.

As you may remember, I spoke to you that day on how we can get the Pekin Township Resource Committee on your list of designated recipients. The Resource Committee is a 13 member Board appointed by the Township to oversee our youth and senior programs.

Through our Youth programs last year, we served over 6,600 children and spent over \$6,000.

Some of the programs we offer are:

- Summer Lunch program – we served over 150 per day
- Grade school “No Child Left Behind” – over 250 participated
- Safe Halloween – over 300 participated
- Santa Claus Party – over 150 participated
- Spirit of Christmas Tree – gifts and food – over 160 children and 61 families

These children are usually from the lower economic level of our community and many would not have gifts at Christmas or simple things like good nutrition during the summer.

Whatever consideration you can give us would be appreciated. Thank you in advance.

Sincerely,

Leo Berardi
