Dear John,

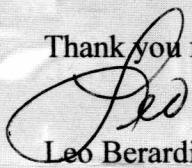

First of all, thank you for your generous contribution to aid our programs. I would like to submit a request for future contributions for our resource committee.

Some of the programs your funds help support are:

- Family food Pantry every Wednesday
- Seasonal Programs such as Spirit of Christmas where children are given gifts and food
- Holiday Meals
- Grade School "No Child Left Behind"
- Free Summer Lunch Program for school age children

Last year 125 volunteers helped 21,500 people participate in these activities.

Thank you for your help and consideration.

Pekin Township Supervisor
